- June 22nd Last Day of School
- Summer Program will run July 6, 2022 - August 16, 2022
- September 8th First Day of School Early Dismissal

## CAPTAIN'S MESSAGE

The time is here! I cannot believe we are at the end of the 2021-2022 school year. On behalf of the entire TMES staff, I would like to thank you all for trusting us with what is most important to you – your child. We are grateful to have had the time to help your child – our student – grow, develop, explore, and learn throughout this school year. Together, as a school community, we learned and built a foundation that will continue to bring your child through their elementary years. For those that have students who are moving onto 4<sup>th</sup>

grade, please know that Thurgood Marshall will always be a safe space, a home, for you and yours to visit. For those that have our beloved “babies” returning to us next school year, we are excited to have an even bigger and better year.

The goal of the Thurgood Marshall Elementary School is simple – we strive to serve every child and always remain student centered. Through all of the celebrations, events, milestones, and accomplishments that we had this year, it is clear that our goal was met, and we hope you feel the same.

Have a beautiful summer and please remember that we offer a dynamic Summer STE-AAM Program for all of our students with slots still available!

Respectfully,

Dr. Lauren Jackson

Principal, Thurgood Marshall  
Elementary School

## “S.S. TMES SAILING TO SUCCESS”

*Congratulation to our Students and Staff of the  
Month, April & May*

## *SEL Classroom Support*

*Jory Artis, Guidance Counselor*

## *The TMES Bike Rodeo, Grade 3*

The bike rodeo was an opportunity for riders to develop skills to keep them safe by helping them better navigate the streets of Asbury Park and beyond. Bike safety is a necessary skill to riding a bike safely.

Our school offered this event to our 3rd grade students. It also provided biking tips for our young riders to learn more on the road to becoming experienced cyclists and fully enjoy biking in our community! We also truly appreciate the Asbury Park Police Department for helping us keep our children safe during the event.

### Ms. Badillo's 1st Grade Class

Mrs. Badillo's class has been busy learning so many new facts about **Amazing Animals**!! Did you know a duck only has 3 toes on each foot or that a camel has 2 rows of eyelashes? We wrote informational stories about animals. We all had a great time making a picture frame with our moms. We had fun celebrating Ashley's birthday. We are all working so hard to get ready for second grade.

### Perfect Attendance for Saturday Prep Academy Mr. Trivella

### Our Awards Assembly

### The Science Fair

“S.S. TMES SAILING TO SUCCESS”

## *Ms. Lonon, Kindergarten*

We're almost at the end of the Yellow Brick Academic Road to summer vacation. We've learned a lot this year; like how to read, and write, and thanks to our classroom Betta fish, Obama, all about fish and how to take care of them. To finish out the school year, we planted pumpkin seeds, and our plants are huge now, due to good soil, watering them, and sunlight. You can come take a look if you like. Birthday shoutouts to Juliana Lopez Ortiz 5-3, Mileydi Jiron Galeano 5-11, Cristian Hernandez Sanchez 5-24, Thaily Mezquititla-Nila 6-2, and Valeria Galindo Nicolas 6-3-22. Everyone have a safe and fun summer vacation.

## *S.S. TMES Sailing Along with PBIS!*

Our PBIS School Team, *which consists of Ms. Artis, Ms. Cortes, and Ms. Hamilton*, have helped with our PBIS Program this year. Students have continued to get tickets each day, **as many times** as they earn! Students enter one weekly ticket for a drawing each Friday and use the rest of the earned tickets to “buy” prizes in our PBIS Store, which is located in Room 218. The students LOVE our PBSIS Incentive Program!

## *Teacher Appreciation Week*

## *May, Haitian Flag Month Celebrations*

Haitian Flag Day is on May 18th each year, and is a very important holiday for the country. Students in Haiti give homage to the flag by wearing red and blue – the colors of the flag – for a week. Flag Day is taken very seriously in Haiti, and it's celebrated with big gatherings and lots of good food. The Haitian flag is tightly knit to the struggle for the country's freedom.
